

ANNOUNCING THE TRANSFORMATION OF COFFEE BREAK FOR WRITERS, A VALUABLE RESOURCE FOR ASPIRING AND VETERAN WRITERS

Harrisburg, IL., July 2009 - Veteran freelance writer and editor of Coffee Break for Writers, Misti Sandefur, announces a new and improved CoffeeBreakforWriters.com. Sandefur originally created Coffee Break for Writers in May 2006 as an e-zine, but as of today, she will transform it from an e-zine to a niche website.

Aspiring and veteran writers will continue to receive fresh writing advice, writing exercises, links to resources for writers, leads to markets that pay writers what they're worth, as well as writing-related brain teasers. However, instead of receiving the new content on the 7th of every month, it will be added to the website as it becomes available. Readers can subscribe to the free newsletter for notifications of site updates and new calls for articles for Coffee Break for Writers. Moreover, those who are already subscribed will remain subscribers unless they choose to opt out.

Along with the same coffee theme, a new layout and quality content, Sandefur plans to introduce a new section that will include discounts on products and services that are beneficial to writers. Watch the newsletter for the announcement!
